WHAT DO YOU DO WITH THE OLD DIRECTORY ?

Why not take the old book home now that the new one is out. Many of our subscribers are doing this and tell us it is quite as necessary to have one in the home now as in the office.

THANK YOU! **Your Wife** will find many uses for it. She can look up the people she meets and find out who's who in your city. She will use it for invitations, addresses, streets, etc.

THANK YOU! **Your Daughter** can look up her friends, their parents, club, church and society data, and miscellaneous information of all sorts. Find strange streets and exactly how to reach them.

THANK YOU! **Your Son** will find it both interesting and instructive. It will settle many a friendly argument.

THANK YOU! **The Old Folks** can look up their old friends, the various facts concerning the city, and they will marvel at the city's wonderful growth.

You Will Use It Yourself

and the folks will thank you for bringing it home

My Home Town First

A creed for the home-loving citizen

I BUY AT HOME

— because my interests are here.

— because the community that is good enough for me to live in is good enough for me to buy in.

— because I believe in transacting business with my friends.

— because I want to see the goods.

— because I want to get what I buy when I pay for it.

— because every dollar I spend at home works for the community in which I live.

— because the man I buy from stands back of the goods.

— because I sell what I produce here at home.

— because here I live and here I buy.

— because the man I buy from pays his part of the town, county, and State taxes.

— because the man I buy from helps support my school, my lodge, my church, my home.

— because when ill luck, misfortune, or bereavement comes, the man I buy from is here with his kindly greetings, his words of cheer, and his pocketbook, if need be.
